ABOUT STONES KEEP LLC

Stones Keep LLC is a veteran-owned technology leadership consultancy specializing in AI governance, learning technology, and enterprise IT strategy. Led by Dr. David Kirkland, a PhD-level technology executive with over a decade of enterprise leadership, Stones Keep delivers practical, senior-level consulting to organizations navigating complex technology decisions.

Dr. Kirkland serves as Director of Learning Technology at a major research university, managing multimillion-dollar technology budgets, overseeing enterprise systems for 20,000+ users, and building AI governance frameworks at scale. Stones Keep brings that depth of experience directly to clients.

CORE COMPETENCIES

- AI Governance Framework Development
- Learning Technology Strategy & Implementation
